

Michigan Child Protection Law

Mandated Reporting Quick Reference Guide

The child protection law requires mandated reporters who have reasonable cause to *suspect* child abuse or neglect to make an **immediate** oral report to MDHHS- Centralized Intake (855-444-3911), followed by a written report within 72 hours. Reports may now be made online at <https://newmibridges.michigan.gov>

The areas to be vigilant about in regard to abuse and neglect are the same during COVID-19 as they were prior. The discloser from a student, the suspicion from staff and the nature in how you come about information may change. Please continue to remember you are **NOT** the investigator. As mandated reporters it is our **responsibility** to report suspicion.

Categories of Abuse and Neglect

- Physical Abuse
- Physical Neglect
- Sexual Abuse
