

2024 Career Tech Tools of the Trade Award

The Career Tech Tools of the Trade Scholarship is for students who plan to attend a post-secondary trade school, other types of technical training, or enter directly into the workforce following high school. Scholarship awards are to be used for tools or other physical materials required for school or employment. Students may not apply for both the Career Tech ***Tools of the Trade*** and ***Career Tech Academic Scholarship***.

Amount: \$500 each. The top scorer will receive a larger award.

Eligibility:

- Senior (Early College students may apply)
- B or higher grade in Career Tech program
- Earned full credit for first semester of 2023-2024 school-year.
- Attended Career Tech for the full 2023-2024 school-year.

Requirements:

1. Complete and print this fillable PDF application
2. Current resume

Due: *Application with resume must be turned into Student Services by 3:00 PM*

Friday, March 1, 2024

Late or incomplete applications will not be considered.

Interviews & Presentation:

Once the selection committee has reviewed all applications, an interview will be scheduled for qualified applicants. The interview will be scheduled for 15 minutes.

The applicant will be asked a series of questions and also prepare a presentation to demonstrate something they have learned in their program.

Professional dress and demeanor are an important part of the interview. Dress as though you would be interviewing for a real job in your field.

For questions or further information, contact Mrs. Olds: kolds@northwested.org
