

**few**

**first**

**second**

**every**

**First: First means at the beginning or to start something.**

I was the first person in line.

The first thing we do in the morning is eat breakfast.

Prompt:

What is the first thing we do when we get into the classroom each day?

Is it always good to be first in line? Why or why not?

**Every: Every means each or all of something.**

Mom said I had to eat every green bean on my plate!

Prompt:

Have every student with shoes on raise their hand, and then have every student with black shoes raise their hand.

Name something you do every day.

**Few: Few means a small number of something or a small amount of something.**

There were a few people waiting in line. There are only a few potatoes left.

Prompt:

Have a few students move to their tables or another part of the room.

If I have a box of crayons, could I share a few? How many would that be?

**Second: Second is immediately after first, it is number two.**

I was number two in line so I was the second one in line.

Prompt:

What is the second letter of the alphabet?

How many people can eat a second piece of pizza on pizza day?
