

**match**

**other**

**Other: Other means different one of something.**

I don't like spinach so I chose the other vegetable. It was carrots.

Prompt:

Write three letters and three numbers on the board. Teacher identifies two letters /numbers and has student name the other letter/number on the board. "Here is "m" and "f" what is the other letter?"

**Match: Match means two or more things are alike or go with each other.**

The girl's shorts match her shirt.

Prompt:

Look your body, find two things that match.

Have the students look around the room, find two objects that match, and tell how they match.
